MEMORANDUM FOR EXECUTIVE TEAM

SUBJECT: General Services Administration (GSA) Contracts for
Air Passenger Transportation Services to Attend
Inactive Duty Training (IDT)

In accordance with the Strom Thurman Defense Authorization Act for FY99 and the Office of the Assistant Secretary of Defense (Reserve Affairs) memorandum of October 12, 1999 (enclosure), reservists who use air travel for their inactive duty training may fly there using the city pair contract airfares without the usual airline penalties, such as advance booking and schedule change fees. Effective October 1, 1999, reservists who travel traveling to and from active duty can buy airline tickets at the government contract rates.

The city pair contract rates are accessible via the DLA Travelpage, www.dlisl.dla.mil/travelpage. Click on "Getting to & Fro"; scroll down to the "City Pair" icon.

Request widest dissemination of this information to your Reserve personnel. My point of contact is Mrs. Betty Yanowsky Slanta at (703) 767-3638, DSN 427-3638.
